

OUTSOURCE

LET US WORK FOR YOU

Here, at Talksure, we go beyond the standards of traditional call centres by interacting with your customers just as professionally and passionately as you.

We have the expertise and the knowledge to provide bespoke solutions to companies in various English speaking countries including Australia, the UK and the USA.

We can offer a full range of contact centre services including: Customer care, Surveys, Lead generation and Outbound sales.

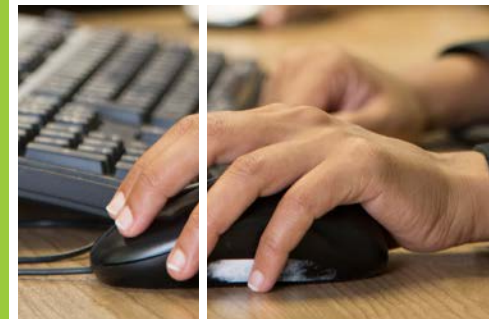

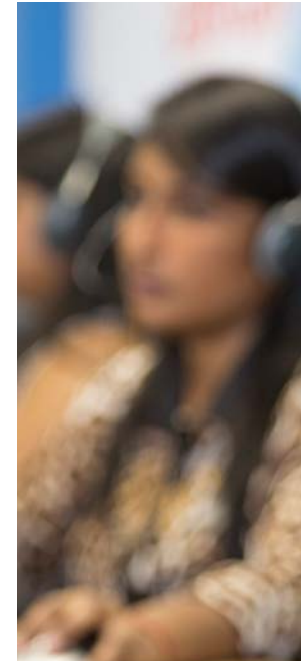

In addition, we can provide a full service solution including: Training, Quality assurance, Compliance management and Data management.

If you are unhappy with your internal or outsourced call centre operations or you want to gain a cost advantage over onshore options - you need to

START OUTSOURCING WITH US TODAY.

WHY CHOOSE US?

- Existing presence in Australia, including Australian registered company and Director.
- Award winning contact centre - Best Large Domestic Outsourced Contact Centre (2016 BPESA).
- Fully compliant with South African Financial Services Board and relevant Australian requirements.
- Based in Umhlanga, South Africa, which is known for its neutral English accent. (South Africa awarded Outsourcing Destination of the Year for 2016 by Global Sourcing).
- Long standing successful outsource partnerships with leading South African Blue-chip companies.
- Outstandingly low employee attrition rate.
- Test campaigns in order to identify the most effective solution.
- State of the art infrastructure to ensure fast project turnaround time.
